

RIVER AND NIGHT FISHING, SEA TROUT COURSE

11TH / 12TH JULY 2015

Following our very successful *Match the Hatch* (<http://www.irishtimes.com/sport/other-sports/great-enthusiasm-all-around-for-match-the-hatch-angling-event-held-near-balbriggan-co-dublin-1.2075866>), river fishing and salmon fishing courses, we are planning a *River and Night Fishing, Sea Trout Course* for the 11th July. This event will be held on a premier, east coast, sea trout fishery and will include both classroom and river bank components. Participants will have access to a prime river beat, at the peak of the sea trout run, for night fishing. The course will run from 14.00 on the afternoon of the 11th until well into darkness on the morning of the 12th. An evening meal will be provided. A selection of accommodation will be available for those hardy souls wishing to fish Falkus-style throughout the hours of darkness!

Participants will receive a boxed selection of 6 recommended sea trout flies. A range of Denis O'Toole's masterful sea trout flies, as displayed in Ken's recent book *Nomads of the Tides*, will be available for purchase.

During the course participants may also purchase signed copies of the highly acclaimed book: *Nomads of the Tides: Fishing for Irish Sea-Trout* (Chris McCully and Ken Whelan (2014) - <http://www.medlarpress.com/code/index.html#!/Nomads-of-the-Tides/p/21216824>)

The cost of the course will be some €200 per participant (excluding accommodation).

Are you interested in attending this unique course?

If so please let either of us know a.s.a.p.

Places are limited but if we have sufficient interest we plan to run additional courses over the summer months. We are also planning estuarine courses for bass and sea trout, later this summer.

Jason O’Riordan

Email: joriordan0@gmail.com

Mackenzie Pro Guide and an IFFF Qualified Fly Casting Instructor

Jason has a lifetime of experience in fishing and guiding on the rivers, lakes and coastline in the area. Jason has given talks on fishing techniques at the leading angling shows in Ireland. Game Fishing Ireland offers guided packages for salmon, river trout, lake trout and saltwater game species. Fishing packages can vary in price depending on the target species and time of year. A typical package can include permits, travel, guiding, and packed lunch. Tackle hire is also available.

Ken Whelan (<http://www.kenwhelan.info/>)

Email: ken@kenwhelan.info

GAIA and AAPGAI Qualified Fly Casting Instructor and Marine & Countryside Angling Guide

Ken runs his own fisheries consultancy. He has been a keen angler since a very young age and has written extensively on angling topics. He has fished in many remote locations throughout the world. Ken has also produced, scripted and presented many films and videos on various aspects of Irish fisheries and angling. He is a regular radio contributor to *Mooney Goes Wild* on RTE. Lucky to have weaved his hobby into his job, he is never quite sure whether he is working or enjoying himself!
