

# MATCH THE HATCH

## RIVERS & STREAMS COURSE

Ken Whelan & Jason O’Riordan

### On this course learn:

- ⇒ How to sample your local river for insects and other food items
- ⇒ Identification of key food sources and their life cycles.
- ⇒ River fly hatches across the fishing season.
- ⇒ Choosing imitative flies and how to fish them effectively.

Our next event will be held on the **River Annalee** (in association with the Cavan Anglers Club), Ballyhaise, Co.Cavan. **Meeting at Ballyhaise College on Sunday April 26th.**

**Time: 10.00 to 17.00 – Fee: €70**
